Pedagogy of Teaching.../ Methodology of Conducting /

Chief Assistant Professor Yuliyana Panova, PhD is a candidate in the competition announced by the University of Shumen "Bishop Konstantin Preslavski" for the academic position "Associate Professor" in methodology of conducting in the professional field 1.3 - Pedagogy of teaching in ...

She presents as documents for participation in the competition a list of publications and the publications themselves, a reference to the citations, a reference to the original scientific contributions, a list of abstracts, a reference on additional indicators under of Article 57a of the Law for Development of the Academic Staff in the Republic of Bulgaria, reference for fulfillment of the minimum national requirements.

1. Publications

A. The monograph of Chief Assistant Professor Yuliyana Panova, PhD "Modeling and management of the musical-performing process" is her habilitation work. It "presents the theoretical and methodological foundations of the formation of competence for modeling and management of the musical-performing process in students" /p. 1, summaries of publications/. In her work she "reveals the musical performance in a procedural-dynamic aspect, the principles and guidelines set in its separate phases, its modeling and management, leading to its optimization" /p.6/7- monograph /. The monograph are considered with various aspects:

- the main characteristics of the implementation process;
- the technology for modeling this process;
- theoretical-methodological bases of formation of competence for modeling and management of the musical-performing process in the students - future pedagogues of music " /p. 7 monograph/.

The author justifies the necessity of future music teachers knowledge and skills regarding the management of music activities. The in-depth introduction to the issue is also based on the used rich bibliography in Bulgarian, Russian and English.

B. Other publications

In the list of publications of the candidate Chief Assistant Professor Yuliyana Panova, PhD, in addition to a monograph are presents 27 articles and reports published in unrefereed journals with scientific review or in edited collective volumes. In 26 of them, published in the period from 2009 to 2021, various theoretical and practical issues related to the role and

importance of conducting training for students majoring in Pedagogy of Teaching Music at the Shumen University are considered.

2. Reference for citations

The reference for citations presents evidence for citing 8 publications of Yuliyana Panova by other authors.

3. Reference to the original scientific contributions

I support the original scientific contributions of Ch. Assistant Professor Yuliyana Panova, PhD. Nine contributions were made, related to her scientific activity and work as a lecturer in conducting students majoring in Pedagogy of Teaching Music at the University of Shumen. Therefore, the contributions have a specific practical focus.

4. Information on additional indicators under Art. 57a of Regulations for application of the law for development of the academic staff in the Republic of Bulgaria / III3PACPII/

This report presents the candidate in the competition Yuliyana Panova as an active pedagogue, concert conductor, leader and participant in international and national projects related to choral art.

At the University of Shumen "Bishop K. Preslavski" Chief Assistant Professor Yuliyana Panova, PhD teaches Piano conducting, Choral singing and conducting, Technologies in choral singing and conducting, Choir study and vocal staging. She is the author of curricula on these disciplines.

Yuliyana Panova has (work) an active concert activity as a conductor of Collegium of Chamber Music "Ars Music Shumen", church mixed choir "Cassiana Domestika", academic choir formation "Prof. Venets Vicheva" to Shumen University, vocal formation "Bozjur" and others. With these ensembles she has won awards at national and international festivals and competitions.

Yuliyana Panova is the head of workshops in Bulgaria and Norway, chairman and member of the jury of music festivals and competitions in Bulgaria, etc.

5. Information on implementation of the national minimum requirements

I fully accept the information presented in the reference for fulfillment of the national minimum requirements, including a total of 455 points for academic position and 80 points for scientific degree "doctor".

The documents for participation in the competition for "Associate Professor" announced by the University of Shumen "Bishop Konstantin Preslavski" according to the methodology of conducting are presented by the candidate Ch. Assistant Professor Yuliyana Panova, PhD as an active creative person. She has gained serious pedagogical experience as a teacher of Conducting, Choir study and choral singing. He works with students in research and art projects, provides scientific guidance to graduates of the Bachelor's degree, is the moderator of 5 editions of the national student competition for conductors "Golden Bat" at Shumen University.

She also has an active concert activity within the University of Shumen, conducting the academic choir formation "Prof. Veneta Vicheva".

Especially impressive is her scientific and publicist work, which it is not sporadic, but very profound and consistent for years, in direct connection with its teaching activity.

The other important aspect in the candidate's activity is the concert and performed as a conductor of various choirs outside Shumen University.

All these aspects of the activity of Ch. Assistant Professor Yuliyana Panova, PhD turned her into a knowledgeable and capable musician and artist; in a pedagogue combining theory and practice in the field of choral conducting as an indivisible whole.

Therefore, I strongly recommend the esteemed scientific jury to support the candidacy of Chief Assistant Professor Yuliyana Panova for the academic position of "Associate Professor" in professional field 1.3 - pedagogy of teaching in ... / Methodology of Conducting/.
